

# BOX OF ROCKS™

TRIVIA GAME RULES

AGES 12+ 2+ PLAYERS

## CONTENTS

100 cards with 300 trivia questions,  
3 fake rocks (2 numbered, 1 blank),  
wooden human player pawn, game card

## SET UP

1. Remove the question cards and place them question-side up in a stack.
2. Locate the game card and place it on a flat surface near the players.
3. Place the blank rock and the human player pawn on their start spaces on the game card. Place the two remaining rocks in the box and close the lid.
4. Decide who will read the questions and answers.

## PLAYING THE GAME

1. The reader selects a card and randomly reads aloud one of the three questions shown. The answer to every question is either 0, 1, or 2.
2. After you or your group has called out an answer, the reader shakes the box and opens the lid. The rocks' answer

## TRIVIA GAME RULES (continued)

is the total of the white marks (ls) shown on the rocks.

3. The reader then turns over the card and announces the correct answer.
4. If you answered correctly, move your pawn one space on the game card. If the rocks answered correctly, the reader moves the rock pawn one space. If both have answered correctly, both move forward one space.

## WINNING THE GAME

1. The first to reach 3 wins!
2. A tie to 3 is decided by sudden death rounds in which questions are asked until a final winning point is awarded. Yay, one more shot at shame!
