Instructions

Magical Wishes Card Game

How to Play:

1. Shuffle all 48 cards and deal one card to each player.

2. Place the remaining cards face down in a pile where each player's first card will be.

3. Each player looks at their first card, and then?

4. Decide if you want to trade for a card from the player in front of you, or if you want to trade for a card from the player behind you.

5. Each player draws two cards from the deck.

6. Each player has no wish cards, he or she can wish for a

Players can use these cards to create a wish or to trade for a wish from another player. Each player looks at their first card, and then?
