Party Pictures™

INSTRUCTIONS

CONTENTS

- 75 Double-Sided Party Picture Cards (150 Photos)
- 300 Caption Cards

OBJECT OF THE GAME

Be the first player to earn five Party Pictures.

PLAYING THE GAME

1. Shuffle both decks of cards (Party Pictures and Caption Cards) before starting the game. Choose one player to start as the critic (*the last person to drink a beer*). The critic deals seven Caption Cards face down to each player. Players may look at their own Caption Cards, but should keep them secret from other players.
2. The critic takes the top Party Picture from the deck, flips it over, and places it in the center of the table. Each of the other players (except the critic) selects the funniest Caption Card from his/her hand, which he/she thinks best matches the Party Picture, and places it face down on the table.
3. The critic mixes up the Caption Cards so that no one knows who played which card. Then, one at a time, the critic flips over the Caption Cards, reads them aloud, and places them face up next to the Party Picture.

4. After reading all the Caption Cards, the critic chooses the Caption Card that he/she feels is the funniest caption for the Party Picture. It is completely up to the critic to decide.
5. The player who placed the winning Caption Card is declared the winner of the round and keeps the Party Picture.
6. The winner places the Party Picture in front of himself/herself. All played Caption Cards are placed in a discard pile.
7. Additional Discards: Any player can also choose to discard one additional Caption Card every turn (*i.e. discard the played Caption Card plus one additional Caption Card*). Each player then draws one or two new Caption Cards, returning his/her hand to seven.
8. The role of the critic is then passed to the person on the left. Now, a new round begins!

Note: If Caption Cards run out, reshuffle the discard pile to create a fresh pile of Caption Cards.

WINNING THE GAME

The first player to earn five Party Pictures wins.

OTHER WAYS TO PLAY

MAKE YOUR OWN CAPTION:

To up the ante on Party Pictures fun, grab some pens and paper. Each player must write his/her own caption for the Party Picture. The critic's choice of the best caption wins.

USE YOUR OWN PICTURES:

Players add their own pictures to the game. Players work to match Caption Cards to these pictures for hilarious fun.
